Re: PR Docket No. 93-61  
Ex Parte Presentation

Dear Mr. Caton:

In accordance with Section 1.1206 of the FCC Rules, this is to note that on this date, Mimi W. Dawson, Government Affairs Specialist with this firm, and the undersigned, made an ex parte presentation to Mr. Randall S. Coleman, Legal Advisor to Commissioner Ervin S. Duggan, in the above-referenced proceeding concerning automatic vehicle monitoring. The presentation covered matters raised in the comments and reply comments filed by Pinpoint Communications, Inc., and by Amtech Corporation including the issues of sharing versus exclusivity, band plans, and other uses of the band. As part of the presentation we used photographs of the Pinpoint demonstration system and photographs of the Amtech tag reader established to investigate the compatibility of the Pinpoint and Amtech systems. Copies of the photographs are enclosed.

Should any question arise concerning this matter, please contact me.

Respectfully,

*David E. Hilliard*
